FREEDOM OF INFORMATION ACT (FOIA)

Village of Rossville
120 E Attica St
Rossville IL 60963

June 18, 2025

The public is entitled to full and complete information regarding the affairs of government and the official act and policies of those who represent them as public officials and public employees consistent with the terms of this ACT.

If you would like to obtain information from a public body, you should begin by writing down the information you are seeking. Then prepare a letter to that public body's main office or request a FOIA form from the public body's office.

The letter or form should include your name, address, the date and daytime phone number so that the public body can contact you if they have any questions. Describe the information you are seeking with sufficient detail so that the public body can find the requested records. Providing as much information as possible in your request on the subject matter may expedite the public body's search process.

A public body must respond to a FOIA request within 5 business days after the public body had received the request. Day 1 of the 5-day timeline is the first business day after the request is received by the public body. The date that the request was received by the public body does *not* count as "Day 1". A 'business day' or 'working day' is a regular day of the week (Monday through Friday) when public offices and most businesses are open. Saturdays, Sundays and state holidays are *not* business days and cannot be counted in the 5 business day time period.

At the end of the 5-day time period the public body may:

- Grant your request;
- Request an extension of an additional 5 business days;
- Grant in part and deny in part your request;
- Deny your request.

If additional time is needed the public body will notify you in writing within 5 business days after the receipt of the request of the statutory reasons for the extension and then the requested information will be produced.

If a request is *denied*

The denial must be in writing and reference a specific legal reason under FOIA to justify the non-disclosure. The denial must also inform you of your right to seek review of the issue by the Public Access Counselor (PAC) in the Attorney General's office, with the PAC's contact information, as well as the right to seek judicial review by filing a court case.

To seek a Request for Review:

A Request for Review is a letter that you may submit to the PAC if you believe that the public body had not followed FOIA. This letter is a formal way of asking PAC to review the request and the public body's response (or lack thereof) and determine if a FOIA violation has occurred. The letter must be in writing, must be signed by you, and must include a copy of the FOIA request for access to records and any responses from the public body. It must be submitted within 60 calendar days of the public body's final response (or date upon which the response was due).

A FOIA Request for Review form may be obtained from the Village Clerk. This form contains the address of the PUBLIC ACCESS COUNSELOR in Springfield, IL.
